TENANT FOR BUT SMALL COTTAGE WILL AID FAMILY RIGHT OF WAY PRESENTED TO CITY BY TAYLOR

"If the Associated Charities could secure a tenant for a small cottage at Kalihi, funds could be assured an aged Hawaiian woman for the support of herself and demented daughter," said Spencer Bowen, manager of the charities, this morning.

In other words, Mr. Bowen is looking for someone to pay the Associated Charities \$8 a month, and receive in return the privilege of living in the house at Kalihi and the satisfaction of having helped two needy persons. The Hawaiian woman, Mr. Bowen said, is forced to spend the greater part of the time caring for her invalid daughter, and is unable to get out and find employment. As a result, her funds have dwindled until now she practically is destitute. The case was called to the attention of the association Saturday. It seems that the woman owns a house on an adjoining piece of land which she willingly would rent, but can not find time to look for tenants.

"If there is anyone in Honolulu who is looking for a cottage, or who knows anybody who wishes one, they are requested to telephone 2253," said Mr. Bowen.

"That's Mabel's runabout." "How can you tell from this distance?" "I recognize the honk. It's a soprano."—Kansas City Journal.

James T. Taylor, who has been working for some time for the city and county to improve three little roads in Nuuanu valley under the direct frontage tax statutes, presented the board of supervisors last night with a right-of-way on one of these streets, which puts them in shape now for the improvement work to be undertaken. The letter accompanying the conveyance reads:

"To the Honorable the Mayor and Board of Supervisors of the City and County of Honolulu:

"I herewith respectfully make tender of a 'krant right of way' over park road in the Nuuanu valley for park purposes.

"This will undoubtedly overcome the difficulties in the way of the road improvements in the Nuuanu valley park district under act 131, laws of 1913.

"I would respectfully ask that the official grade be established on park road as well as Puhiwa and Laimi roads.

"The survey data necessary to establish the grade on park road is on file in the office of the city and county engineer, and only requires the map and profile to be completed and the grades laid.

"Your consideration and favorable action on this matter is earnestly requested. Yours truly,

"JAMES T. TAYLOR."

STEVENSON MEMORIAL ROOM FOR HOSPITAL IN SAN FRANCISCO

The memory of Robert Louis Stevenson is to be kept green in San Francisco through the establishment in the Children's hospital of that city of a Stevenson memorial room, the dedication of which will take place on Easter Sunday. The friends of the great writer have collected an endowment fund of \$5000 for the purpose. Of this amount \$1308.16 was provided from a surplus in a San Francisco Ohio flood fund, collected last year to aid the sufferers in the stricken Ohio districts, but which was not needed. The balance of this fund, some \$7000, with the approval of the Ohio authorities, will also be used in endowing a bed in the Children's hospital, to be known as the "Ohio bed."

VAUDEVILLE BILL AT THE BIJOU IS UP TO THE MINUTE

Dull Spots Fail to Register in Offering That Is Well Above Average

Vaudeville of a worth-while variety is being offered at the Bijou theater this week. Occasionally a dull spot mars the program, but taken in its entirety it is splendid. "Partners," a playlet presented by George Spaulding, Miss Woods, Miss Margarette De Von and James Gullfoyle is exceptionally good, each of the participants handling the assigned part in splendid fashion. Miss Woods is most acceptable in this skit, essaying a role that is entirely different to anything she has previously undertaken here. She is cast as a tomboy and "gets away" with it in fine shape. The playlet is strong and well worth seeing.

Margarette De Von appears in several specialties and appears to advantage. She works as hard on the final weeks of the appearance of the company as she did when the show opened. It is regrettable that as much cannot be said for Hattie De Von, who is a clever and eccentric dancer but fails to make any special effort to please.

Art Lane, the Australian bag-puncher, is very clever and has a number of novel and entertaining stunts. He carries considerable excess baggage in the shape of a near-comedian, whose dismal efforts to bring a laugh fail to kill the act, which Lane "puts over."

Paisley Noon, "the lad who hates himself," continues to sing with his hands, and, last night, made a dismal effort to get away with "The Rosary." The Rosebud Quartet is very clever, the girls working hard and showing to good advantage in a juvenile song with Miss Margarette De Von. The pictures are above the average and the bright lights on the bill make the poorer numbers easily forgotten and present a performance well worth seeing.

TAKES OFF DANDRUFF HAIR STOPS FALLING

Girls! Try this! Makes hair thick, glossy, fluffy, beautiful—No more itching scalp.

Within ten minutes after an application of Danderine you cannot find a single trace of Dandruff or a loose or falling hair and your scalp will not itch, but what will please you most will be after a few weeks' use, when you will see new hair, fine and downy at first—yes—but really new hair—growing all over the scalp.

A little Danderine immediately doubles the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is amazing—your hair will be light, fluffy and wavy, and have an appearance of abundance; an incomparable lustre, softness and luxuriance.

Get a 25 cent bottle of Knowlton's Danderine from any drug store or toilet counter, and prove that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment—that's all—you surely can have beautiful hair and lots of it if you will just try a little Danderine.—advertisement.

MAUI NEWS

(Special Star-Bulletin Correspondence)

WAILUKU, Maui, March 29. — A brilliant affair was the dinner and dance given by Captain Weeden of the U. S. Mauna Kea on her maiden voyage to Maui. The many friends of the genial captain remembered in his generous invitation. Some forty sat down to the sumptuous dinner served in the elegant dining room of the new vessel, and some hundred and sixty enjoyed the dance given on the decks of the big boat. Captain Weeden was in his usual jolly mood and welcomed his friends on the new boat of which both he and Maui are justly proud. The music was excellent, and the affair from start to finish was just such an entertainment as Maui people expected when they heard of the intentions of Captain Weeden.

At the Kahului Union Church last Tuesday evening some fifty of the people of the town came together to talk over the matter of refinishing and preparing the parsonage for the arrival of Rev. and Mrs. Howard Harris. It was decided to appoint a committee to solicit funds for the purpose of putting the parsonage in thorough shape. It is understood that a generous response has been made by all the people of the seaport town, and that no one outside of Kahului was allowed to assist in the work.

The new minister and his wife are expected Wednesday and as soon as possible they will get settled in their new home. He will preach his first sermon April 5. A public reception will be tendered Mr. and Mrs. Harris at the church on Wednesday evening, April 15th at eight o'clock. Invitations are being sent over Central Maui and to Lahaina.

Fifteen small sawmills are cutting timber from the Powell national forest in Southern Utah, more than 100 miles from the nearest railroad. They are run by sections during time that can be spared from the crops, and supply local needs since there is no opportunity to ship timber in or out.

'DOWN IN DIXIE' PREDICTED TO BE SUCCESSFUL PLAY

Members of Company D Hard at Work Preparing Benefit; Cast Now Is Complete

With a view to securing funds with which to furnish its quarters in the new armory, Company D of the national guard next month will present for the first time in Honolulu the well-known Civil War drama entitled "Down in Dixie," under the direction of Harry Bosworth, a dramatic director who recently arrived here from the mainland. It is predicted that the play will be one of the best amateur performances ever seen in Honolulu and tickets soon are to be placed on sale at popular prices. The dates of the performance in Honolulu will be April 15 and 18.

The cast was completed some time ago and rehearsals now are being held regularly, with the result that the drama rapidly is rounding into shape. The members of the cast all have had much previous experience in work of this kind and are well suited to their parts. "Down in Dixie" is a play of the Civil War in which the events of 1861-1865 are portrayed. The plot is laid in a southern home during the four years of war. The story embodies a Yankee's love for a Southern girl and both are splendid types of true-hearted Americans. A southern villain and a northern scoundrel figure prominently in the story, while the humor is furnished by a live-wire Northern newspaper correspondent, an Irish corporal and two negroes. The action of the play is rapid and the climaxes strong, especially that in the third act, which is set in Libby Prison.

Harvey Wells, a colonel in the Federal army, Harry W. Bosworth, George Washington Bangs, a reporter, Howard D. Case, Maj. Bradley of the Confederate army, Samuel C. Searle, Corporal Holligan, a "true blue" veteran, H. F. Downing, Hon. C. J. Dusenberry, member of Congress, Merion G. Emmons, Ezekiah Sniffend, a degenerate Yankee, Reginald H. Rath, Uncle Mosley, a faithful slave, J. A. McIntosh, Billings, Bradley's henchman, Clarence Levey, Helen Trevoir, a southern belle, Miss Ethel Martin, Molly Martin, her lively friend, Miss Beryl Hunter-Jones, Mrs. Dusenberry, a business woman, Mrs. Sallie Trume Douglas, Susannah, "Jis a brack nigger," Cyril Tinker.

Between the four acts special musical and vaudeville numbers will be given, taken part in by members of Company D. A rehearsal is to be held at 7:30 o'clock this evening, at which time all members of the cast are requested to be present.
